Containers			<i><u>Assistance with the Cremation Fee</u></i> <i>In cases of hardship, the Council has resolved to assist those individuals responsible for the payment of cremation fees to Stafford Borough Council. These are individuals who fall into the poverty trap outside the eligibility for state qualifying benefits and those in low income groups who have been removed in recent years from being eligible for state benefits and funeral costs. The Citizens Advice Bureau has therefore agreed to undertake an assessment of any individual referred to the organisation who might find it difficult to pay for cremation fees. If after considering various methods of financial support, such as from the Social Fund and/or charitable organisations, there is no available assistance, and in the opinion of the Citizens Advice Bureau the cremation fees are causing considerable financial hardship, then all the relevant information will be passed on to the Council. On consideration of the circumstances and at the discretion of both the Head of Operations and the S151 Officer & Deputy Chief Executive (Resources) the Council will assist the individual by a reduction of £80 on the cremation fee.</i>
